## President's Welcome

# Welcome to our Annual Show schedule for 2023.

I am delighted to say that last year's show was a tremendous success.

We welcomed a wealth of new exhibitors and some Sections, such as Novice, Handicrafts, Baking & Young Exhibitors, that previously had been suffering, were very well supported.

Visitors turned out in droves, and I heard nothing but 5-star reviews for the revamped Tearoom. We thank you all for your superb support, be you a sponsor, exhibitor, advertiser, member of the public, member of the society or indeed a friend of the society. Anything that you did, or can do, to help support the continuation of this local annual event, now in its 76th year, is very much appreciated.

However particular thanks must go to the Committee for all their hard work and support over the past year. Without them there would be no Society, and no Show. I hope you have a successful year in the garden and look forward to seeing you at the monthly talks and, of course, at the Flower Show.

**John Kimble - President**

P.S. Fergus has once again pulled out all the stops and organised a coach trip to visit two gardens this year, Burnside near Drongan and Dumfries House near Cumnock with a lunch stop at the Waterside Cafe near Coylton.

We will be leaving from the Clarkston Halls at 9.15am on Saturday 10th June. Booking is essential.

We would like to say thank you to **Co-op Broom Road East Foodstore, Co-op Clarkston Foodstore, and Co-op Clarkston Funeralcare (Wylie & Lochhead)** for their very generous community donation towards the running of the Show. We are very grateful for their support and are delighted to be in partnership with them.

# Tips and Hints for Exhibiting

How many times have you been to a Flower Show and said to yourself, *"I've got as good (or better) growing in my garden!"* Have you ever considered showing, but felt slightly intimidated by the exhibits on show? Does the name Horticultural Society frighten you? Fear not, look no further – we have a 10 point plan for you to blow away the mystique!

- 1) **Read the Schedule – carefully!!**  
Know what is being asked for in the relevant classes which interest you.
- 2) **Note dates and times** – for receipt of entries, staging exhibits, times of judging, Show opening and closing for uplifting exhibits.
- 3) **Consider your entries** – complete the entry form with care.
- 4) **Avoid making too many entries** – (tell me about it!) Enter items you are reasonably sure you can stage well. Trying too much can be stressful.
- 5) **Prizes are not everything** – there is more honour in exhibiting well in a strongly contested class without winning a prize than getting a ticket where there is little or no competition. There is however also good educational value of a high standard exhibit in a poorly contested class.  
  
It's not your fault if there are few entries.
- 6) **Encourage others** – you might know someone who is a successful grower of flowers or vegetables, an excellent baker or photographer or have children who could enjoy the involvement. Persuade them to 'have a go'.
- 7) **Allow ample time for staging** – avoid a last minute rush, when mistakes can be made. Show Stewards are always available to help you. Just ask.
- 8) **Pay attention to detail** – label entries if possible. Make sure entry cards are in position correctly at your exhibits and are the correct class. Note numbers of specimens required and pay attention to uniformity in exhibits.
- 9) **Be a sporting exhibitor** – the judge's decision, whatever it may be, should be accepted with good grace. Seek out answers to why your exhibit didn't win in a calm and patient manner. The Show convener will always help you here. Do this and you will achieve better results another time.
- 10) **Enjoy** – take pride and pleasure in your exhibits and in the word of our neighbouring Mearns Society:

**Show what you grow, share what you know!** I wish we had thought of that slogan!

Come on and have a go – we know you're good enough.

**Fergus Cumming – Show Convener**
